

**REMARKS**

As a preliminary matter, Applicants thank the Examiner for the allowance of claims 1-11.

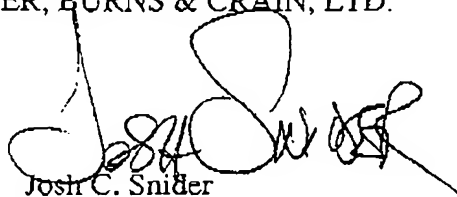

Claim 12-17 stand rejected under 35 U.S.C. 112, second paragraph, as being indefinite. Although Applicants do not agree with the Examiner's assertion that the term "cable patterns" is unclear, Applicants have amended this phrase in the interest of expediting prosecution to read as "wiring patterns." Accordingly, Applicants respectfully traverse the outstanding rejection in light of these amendments, and respectfully request reconsideration and withdrawal of the rejection.

For all of the foregoing reasons, Applicants submit that this application, including claims 1-17, is in condition for allowance, which is respectfully requested.

Respectfully submitted,

GREER, BURNS & CRAIN, LTD.
